About

Ohr Rachel Imenu is a non-profit organization founded in 2011 by women in the city of Betar Illit. The founder of the organization, Efrat Sharabany, established Ohr Rachel with the aim of providing hot meals to hungry children whose parents are unable to provide them with proper meals. The organization is located some nine miles from Kever Rachel, the tomb of our foremother Rachel who serves as an inspiration for the organization. Ohr Rachel is completely volunteer-based and delivers food to families in Jerusalem, Gush Etzion, and the surrounding areas.

Ohr Rachel believes that food needs to be cooked with love, that every child deserves a proper meal, and that no child is to blame for the situation.

Non-Profit Status

Ohr Rachel is an officially recognized non-profit organization by the State of Israel that is eligible for tax-deductible donations in Israel and the United States. All of Ohr Rachel's activities are conducted in cooperation with the Betar Illit Municipality and social workers from its Welfare Department.

Ohr Rachel's financial information is available on GuideStar, the official website of Israel's Registrar of Associations.

Expanding the Therapeutic Kitchen

Ohr Rachel operates a therapeutic kitchen that currently runs in a limited capacity within the framework of the main kitchen; however, the organization aims to expand its therapeutic kitchen and set it apart from its main kitchen.

Ohr Rachel intends to expand its therapeutic kitchen, which will help women and mothers who suffer from depression and other traumas and have lost the basic skills required to care for their families.

With the help of a professional team accompanied by Israel's Welfare Ministry, Ohr Rachel will provide these women with emotional care, a sympathetic ear, and a warm and safe space in the kitchen. Ohr Rachel believes that this framework can help these women return to a healthy lifestyle and enable them to properly function at home.

The therapeutic kitchen will be included as part of the Health Ministry's medical services basket for mental health rehabilitation.

Wedding and Event Aid

Ohr Rachel also helps children who have reached significant stages in their lives, such as bar/bat mitzvahs and weddings. The organization helps cook meals and organize the events for orphans and children who don't have parents capable of helping them. Ohr Rachel also helps with dowries, household goods, and other items that allows newlywed couples in need to begin their lives together.
